

## Breather Valve Punching Machine

### KP-1404

### Performance Characteristics

- According to the different Face mask ,make different positioning block, with punching accuracy, Easy to operate, no noise. compact and small machine, attractive appearance,does not occupy much space.

### Main Technical Parameters

Power	Printing Speed	Dimension (in mm)	Air Pressure	Weight
220V	15-30 Pcs /min	532*420*620* mm	6kg	100kg
